“ A ‘SET AND FORGET’ SYSTEM
FOR MAKING RESIDUAL INCOME! ”

Hey Everyone –

We just wanted to thank you in advance for being part of our new product launch called “Micro-Continuity.” We launched this program at \$2,500 in March, and sold out all of our spots for the live training in 1 minute and 47 seconds!!!

Micro-Continuity Sold Out @ \$2,500 In 1 Minute and 47 Seconds!!!

The live training was amazing, and to date I have NEVER seen more success stories in a shorter period of time then this. We had over 50% of our students actually get their site up and running and have already made their first sale!

If for some reason you haven't heard what micro continuity is yet, you can see a video of it here:

Get Paid \$27 For Ever FREE Pre-Loaded MP3 Player You GIVE Away To Your List!

Now, to make this offer completely irresistible, we put the mp3's of a full 1 day workshop (over 6 hours or training) on this preloaded MP3 player. Your customers will get the EXACT same training that others happily paid \$2,500 for – but for them it's FREE!

Also, this is different then most of the recent launches where you are selling a free product, and hoping to make commissions if the person doesn't cancel their membership. We are paying you your commissions upfront and taking on all of the risk INSTEAD of you hoping to get paid on the continuity and backend sales.

So, what that means is that you will know immediately how much money you are making without any guess work. For example:

Give Away This Many MP3 Players	Make This Much Money
1 MP3 Player	\$27.00
10 MP3 Players	\$270.00
100 MP3 Players	\$2,700.00
1000 MP3 Players	\$27,000.00
3,000 MP3 Players	\$81,000.00
5,000 MP3 Players	\$135,000.00

Again, you are getting paid upfront FAST with all the risk on us – NOT on you as our affiliate!

We FIXED The Cookie Problems With Most Pre-Launches TO GUARANTEE You Get Paid!

We have some VERY cool pre-launch stuff coming out for this product and we want you to promote the pre-launch hard. The BIGGEST problem that MOST people have with pre-launches is that they send a lot of traffic and a large percentage of that traffic gets over-ridden by other affiliates who email the last minute.

So, to protect your pre-launch efforts, we have built in place a system that will hard code every optin you send for the first 48 hours of the launch. So if they optin to the pre-launch list, and they buy during the first 48 hours, YOU will get the commission no matter what.

Then after the 48 hour window has closed, we will turn our affiliate tracking back to cookie based so you can beat out other affiliates with extra prizes. This will protect and award those who promote during pre-launch!

Affiliate Prizes

Our prize system is a little different then you are probably used to. We have set it up to reward you for pre-launch AND launch week promotions. It will be based on a point system:

Pre Launch <u>Opt in Lead</u>	= 1 Point
<u>Buyers</u> Of The Free + Shipping MP3 Player	= 2 Points

Here is what you can get with your prizes:

**Segway X2 Offroad- 3000
